Notification of Quality Control Data Change Status

We have completed our review and evaluation of your Quality Control Manual, as submitted to the Federal Aviation Administration (FAA). The submitted data is accepted as a means of compliance with Title 14 CFR part 21, Subpart O requirements. The FAA reserves the right to require such changes, additions or clarifications that may become necessary as a result of subsequent inspections and/or evaluations.

This notification should remain on file as evidence of FAA review/acceptance of your Quality Control Manual.
