Mrs. Anna Nguyen  
Quality Assurance Manager  
KGS Electronics  
418 E. Live Oak Avenue  
Arcadia, CA 91006--5619

Dear Mrs. Nguyen,

This letter is to inform you that the Los Angeles Flight Standards District Office has reviewed and accepted KGS Electronics Repair Station and Quality Control Manual, Revision G, dated June 22, 2009 and finds it satisfactory at this time.

Please place this letter in the front of your Master Repair Station/Quality Control Manual and enclose a copy of this letter in all other copies of the KGS Electronics Repair Station/Quality Control Manual that may be printed. Any future revision to this manual will require acceptance by this office. A new Acceptance Letter will be sent to you at that time.

Sincerely,

A handwritten signature in cursive script that reads "David Minnis".

David Minnis  
Aviation Safety Inspector.
